Worry convinces us there's danger, and then tricks us into getting into fight, flight, or freeze mode—even when there is no danger. The techniques in this book, rather than encouraging you to avoid or try to resist anxiety, shows you how to see the trick that underlies your anxious thoughts, and how avoidance can backfire and make anxiety worse. If you're ready to start observing your anxious feelings with distance and clarity—rather than getting tricked once again—this book will ...
